Walking Animation

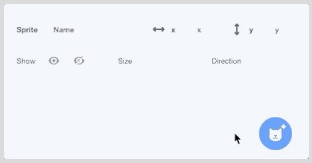

Make a sprite look like it is walking

Get Set Up!

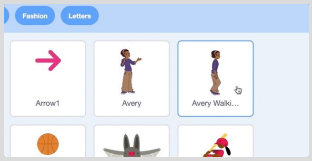

Choose a sprite with multiple costumes

Start here to choose a sprite

Find a sprite with many costumes

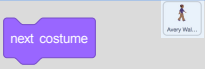

No clues left! Ask a friend?

Animate it

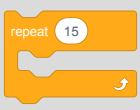

Make your sprite walk in place

Find a block that changes the sprites costume

What block will make it happen over and over?

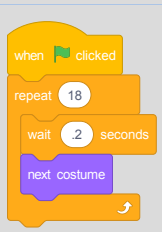

Too fast? Not starting?

These will be useful

Put it all together

No clues left! Ask a friend?

Add movement

Put animation and motion together

Where will you add a block that adds motion?

Put it all together

Notice how we got Avery back to the middle when we start?

No clues left! Ask a friend?

Share!

Code Reference

There are many ways to create this project, but here is one way.
