Move with Arrow Keys

Move your sprite around with arrow keys

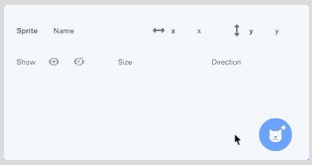

Get Set Up!

Choose any sprite!

Start here to choose a sprite

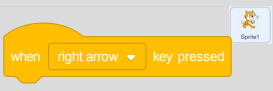

No clues left! Ask a friend?

Go to the right!

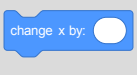

When you press right arrow, go right!

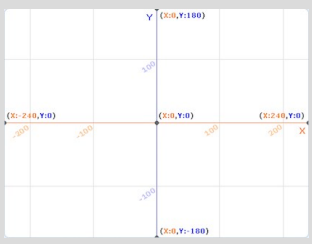

Which block responds to a key press?

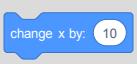

How to go to the right?

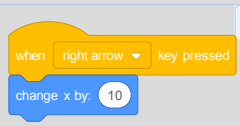

x is how much left or right

Now put it all together!

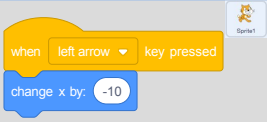

No clues left! Ask a friend?

Move other directions!

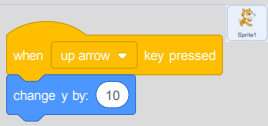

Connect each arrow to different movements

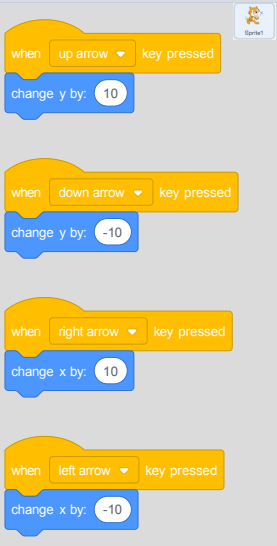

More x means more right, so less x means...

y is a number that says how much up or down

Now put it all together

No clues left! Ask a friend?
